

## **TRIAD 2020-21 Service Scholarship**

**Deadline: Friday, January 22, 2021, 6 pm (PST)**

The [TRIAD Service Scholarship](#) was established to further the goal of service as a value worthy of encouragement, acknowledgment, and reward within the OSU student community. This year the award is for \$500 and two awards will be given.

Consideration will be given to undergraduates who are **juniors or seniors during the 2020-21 academic year**. Students may be enrolled in Corvallis, Cascades, or Ecampus. Applications will be evaluated based on undergraduate academic record (cumulative GPA, progress toward degree) and the significance of service activities. Service includes any activities assisting organizations that provide value to the community. These activities may be with OSU organizations (academic, social or student) or community organizations in the local area and beyond.

Although there is no specific GPA requirement, the GPA will be taken into account in evaluating the application. In the past, successful candidates have had cumulative GPA's greater than 3.3.
